ABOUT US

Vision/Event Purpose:

To foster community engagement, create lasting memories, and provide a platform for families to support local veterans in a meaningful way.

Organization Overview:

Friends of Disabled Veterans is a nonprofit organization headquartered in the Tri-Cities that was founded in June 2016. Its goal is to use community participation to empower and assist injured veterans and their families. Six key principles guide the organization's operations: compassion, family, loyalty, empowerment, honesty, and engagement.
