BLENDING & PS TOOLS

Discription:

The purpose of this project was to take a mundane image and turn it into something new and original via blending techniques.

Date:

09/06/2023

Programs used:

1. Adobe Photoshop

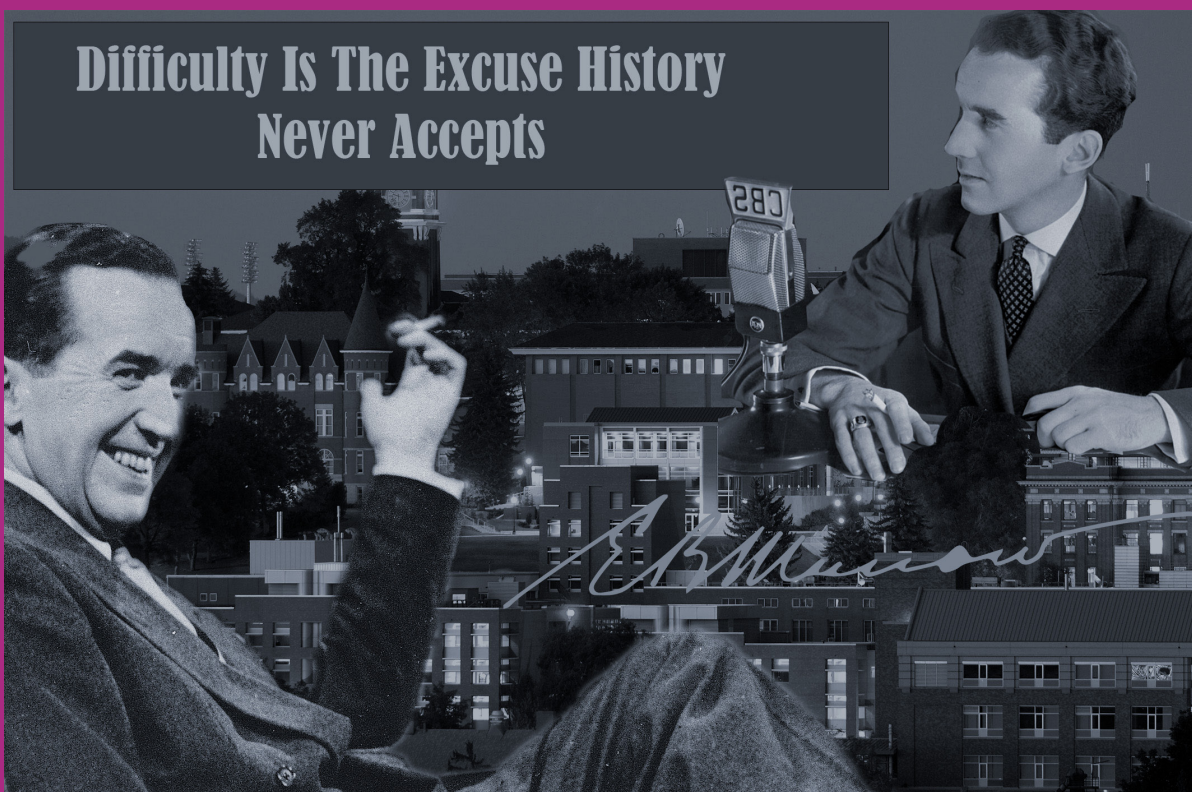

Highlights:

In this project I receive knowledge on how to combine photographs, remove objects, and reveal or conceal specific areas of an image.

BLENDING & PS TOOLS

**Difficulty Is The Excuse History
Never Accepts**

BORING IMAGE

Discription:

I needed to add some flare to an image and turn it into a captivating visual that conveys a message. Additionally, I have to integrate several photos; one area of the project must have a hard edge cutout, while another area must blend in.

Date:

09/10/2023

Programs used:

1. Adobe Photoshop

Highlights:

for this project I learned I can't use images from just anywhere I please due to copywrite

BORING IMAGE

Live, Breath, Drive!

WSU PROMO

Discription:

I made a flyer aimed at high school students who might be considering attending WSU. Its goal was to draw students to WSU and spread awareness of WSU.

Date:

09/24/2023

Programs used:

1. Adobe Photoshop
2. Lightroom

Highlights:

for this project I learned how to read an audience and create something that will drae their appeal.

WSU PROMO

**Washington State University**

GO COUGS!

At Washington State University, our school spirit is more than just colors; it's a way of life. From the roaring cheers at Martin Stadium to the electric atmosphere in Beasley Coliseum, you'll experience a sense of unity and pride that's second to none. Whether it's joining our spirited student section, participating in our legendary Cougar Prowl, or showing your support at a thrilling game day, you'll be immersed in a sea of crimson and gray enthusiasm. With a mascot as fierce as Butch T. Cougar leading the way, our school spirit is contagious and unforgettable. Join the Cougar family, and let your Crimson and Gray pride shine!

Admissions:

- Over 200 undergrad majors
- apply online
- scholarships available
- campus tours and info sessions

INFOGRAPHIC

Discription:

The assignment required us to use only our own graphics and designs to create an infographic that taught about a subject.

Date:

10/15/2023

Programs used:

1. Adobe Illustrator
2. Adobe Indesign

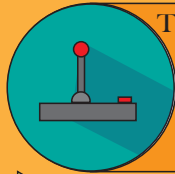

Highlights:

for this project I learned how to create an infographic with appealing visuals and icons to draw a target audince in.

INFOGRAPHIC

GAMING THROUGH THE AGES

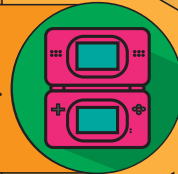

The 1970s and 1980s saw the birth of video gaming with classics like Pong, the first successful video games, followed by Pac-man, Donkey Kong, and Space Invaders.

Classic era

Console Wars

The 90s were defined by the rivalry between Sega Genesis and Super Nintendo. This era also had the introduction of Sony PlayStation. The transition from cartridges to CD-ROMs which allowed more immersive games

Powerful CPUs and GPUs transformed getting on PCs, enabling stunning graphics and realistic gameplay experience. Pc gaming also boosted multiplayer gaming online and devolved services like Steam.

Pc Gaming

Modern era

The rise of e Sports and competitive gaming Became a hallmark. Integration with social Media, streaming, and cross platform play took off with major companies like Microsoft, Sony, and Nintendo.

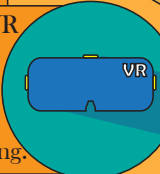

Smartphones led to popularity of mobile Gaming. Games like Candy Crush, Angry Birds and Subway Surfers became staples. Mobile gaming had also boosted free to play games with in game purchases.

Mobile Gaming

Virtual Reality

Oculus Rift, HTC Vive, and PSVR brought VR Gaming to the forefront allowing players To immerse themselves in digital worlds. Games such as Beat Saber and open world Lobbies brought fort many evaluation to gaming.
